

Simplifying ESG/SRS Reporting

CYNON TAF

A live example

The knowledge gained has helped identify key areas within our own organisation, to focus on increasing efficiency in ESG.

Brian Niblett
Cynon Taf

OBJECTIVES

Cynon Taf Community Housing Group had clear objectives for their ESG reporting enhancement project:

01

Simplify and automate the data collection process to save time and reduce errors.

**STREAMLINE
DATA COLLECTION**

03

Gain a better understanding of what is required to prepare an ESG report, and which factors contribute to each category.

**ENHANCE
EFFICIENCY**

02

Improve the efficiency of ESG reporting, allowing the organisation to focus on implementing sustainable practices rather than just reporting ESG

**IMPROVE
TRANSPARENCY**

2,000+
Units

**Affordable
Housing Provider**

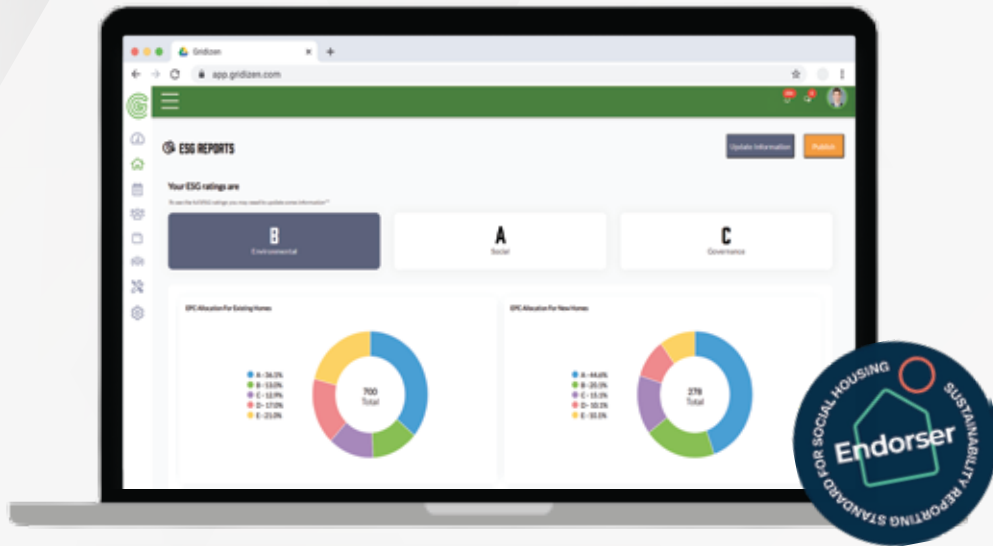

Wales

BENEFITS

Gridizen is an endorser of Sustainability Reporting Standards (SRS) and offered a comprehensive solution to address Cynon Taf's ESG reporting challenges, aligned with the SRS for Housing guidelines :

01

Simple to follow automated data collection tools which eliminated manual data entry, saving time and reducing errors.

DATA AUTOMATION

02

Clear explanations of ESG methodologies and factors contributing to each category, ensuring alignment with the SRS's call for transparent reporting. This transparency will empower Cynon Taf to make informed decisions.

TRANSPARENCY & CLARITY

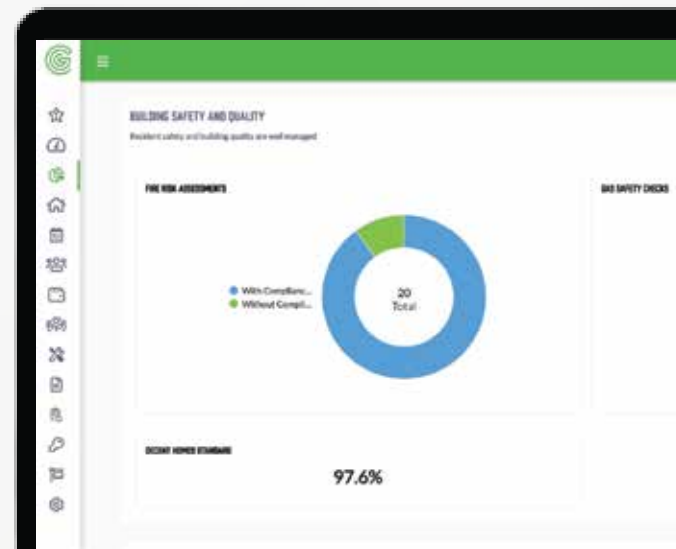

03

Streamlined processes, enabling Cynon Taf to efficiently manage their ESG reporting requirements alongside their daily operations, meeting the SRS's emphasis on efficient resource utilization.

EFFICIENCY ENHANCEMENT

"The report and dashboard outputs are useful. They show a picture for the results in each area. These can be used to show what areas are taken into account to complete the SRS scores, and fit this into corporate objectives."

Gridizen introduced simple to follow automated data collection tools which eliminated manual data entry, saving time and reducing errors.

01

Automated data collection reduced the time and effort required for ESG reporting, allowing Cynon Taf's team to focus on strategic sustainability initiatives.

TIME AND RESOURCE SAVINGS

02

Clear explanations of ESG scoring methodologies improved the organization's understanding of their ESG performance and areas for improvement.

IMPROVED UNDERSTANDING

03

With Gridizen's efficient technology, Cynon Taf had the tools to enhance their ESG reporting, which will make them a more attractive choice for investors and stakeholders, in line with the SRS's objective of achieving higher sustainability standards.

ENHANCED ESG SCORES

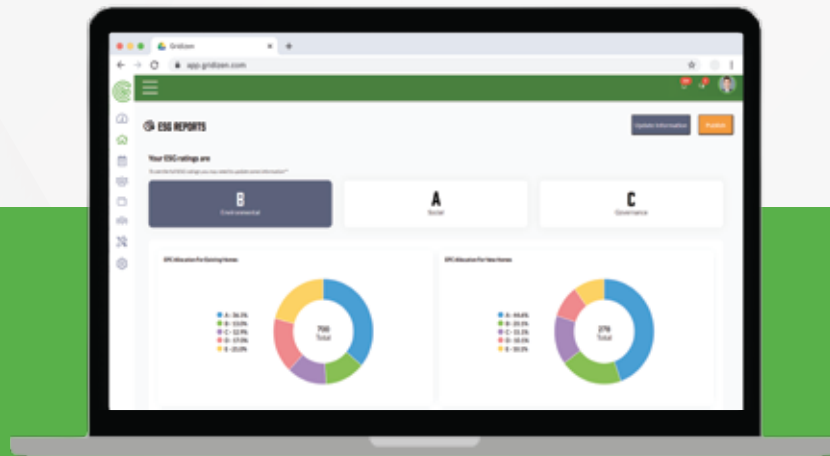

Gridizen made it clear what information was required, to complete the ESG criteria.

CONCLUSION

- ▶ Enabled Cynon Taf to accelerate towards their sustainability objectives
- ▶ Enhanced transparency
- ▶ Streamlined reporting process
- ▶ Saved time and money
